Dear Sir

I enclose you the application of Benj. F. Fuller, for Pension, under your generous and thoughtful Pension act of August 1870. My partner, Col Rousseau, gives his affidavit, as you will see, and I am also well acquainted with Mr Fuller, and know him to be entitled to the benefit of the act. As the Attorney for Mr Fuller, I would ask you to give this matter your early attention, and you will greatly oblige him, and also

Your friend & relative
Geo. McChelton.

Let me hear from you soon. Our Kentucky kin are generally well.
