Hon Stephen H. Darden
Comptroller
Austin
Dr Sir

Will you do me favor to send the paper that Charles Harrison made as proof in the application of Benj. P. Fuller for a Pension Certificate. You advise me that Harrisons testimony is not sufficient & I have written to Mr Fuller. He is of opinion that Harrison can make the proof & if you have blank forms or any prescribed form for the proof & power attorney please send me.

Understanding well your disposition to do every person justice & to see every person get their rights with as little delay & as little expense as possible I feel warranted in thus troubling you

With profoundest regards I remain

Truly Yours &c
Jno. M. Crockett
