Notary Public B.C.

The State of Texas } On the 9th day of December A. D.
County of Bexar } 1874. — Before me John Rosenheimer a notary public in the County of Bexar and State of Texas

Personally appeared Colo. John N. Seguin who being duly sworn declares and says that when at the Siege of Bexar, and taking of that place, he knew one Paulino de la Garza who was acting as a volunteer, that said Paulino de la Garza came with several others from Goliad, that he was born at said place, and returned to his home after the taking of San-Antonio. — That said Paulino de la Garza was at that time a man about 25 or 26 years old. — Affiant saw the same man several years after, and learned from him that he was living at Goliad in his old home. Affiant further says that it is of public notoriety that the man who fought for independence in 1835-36 was the same person who resided and died lately at said Goliad.
