Before me the undersigned authority personally appeared John R. Whitly who being duly sworn deposes and says that he knew Quirino Garza in 1836, that he was a member of Capt Henry Carnes Cavalry company and served as bugler in said company, (at the battle of San Jacinto) and that the party now present is the same identical Quirino Garza that he knew at San Jacinto in 1836. Affiant further declares that he has no interest whatever in the claim or pension of said Quirino Garza, but believes him justly entitled to a pension under the act. Con granting pensions to soldiers who participated in the Revolution that separated Texas from Mexico.
