State of Texas
County of Bexar

This is to certify that I know the following named citizens whose names are herein mentioned, to wit: Diego Gonzales, Matias Maldonado, Crescencio Montes, John R. Whitly, Quirin Garza, Saturnino Rodriguez, Santiago Perales, Gil Gimenes. Have known them for many years, and know them to be respectable and law abiding citizens; know also that they have never at any time taken up arms against the State or Republic of Texas. Having been born and raised in this county I know all or nearly all of the old settlers, and have no hesitation in certifying to the good character and high standing of the above named persons.

Given under my hand and seal in the City of San Antonio this the 8th of December A.D. 1874
