State of Texas
County of Bexar

Before me Geo. W. Caldwell a Notary Public in and for the above county, personally appeared Juan Gimenez of the above county and State, who being by me duly sworn deposes and says: that he was a member of Capt Juan N. Seguin Company at the taking of San Antonio in December 1835 against Cos. He further declares that he knows Diego Gonzalez; knows also that he served as a soldier at the siege and capture of San Antonio in the year 1835, under the immediate Command of Capt Manuel Leal's company; has known him from that time until this; knows him to be the same identical Diego Gonzalez whom he knew at the taking of San Antonio in the year 1835. He further States that he has no interest in the claim of said Gonzalez, but believes him justly intitled to a pension under the recent law granting pensions to soldiers who participated in separating Texas from Mexico. Affiant further declares that he has never himself taken up arms against the Republic or State of Texas.
