Personally appeared before me the undersigned authority Geo Hancock who states that J.P. Gorman of Bastrop county (now present in the Comptrallers Office) is the identical person who served in the army of the Republic of Texas in 1836. I know him to be the man because I pur-
-chased his Landwarrants from him.

Sworn to & subscribed B Gorman
before me this 3 July
AD 1874.

Stephen H. Darden
Comptroller
