The State of Texas }
County of Bexar }

To the Honble. Thos. A. Dwyer, County Judge.

Antonia Gortari y Cacillas, surviving Widow of Pablo Cacillas decd. alleges and declares that she obtained an Order at the September Term A.D. 1878, of your Honor's Court granting herself an Annual Pension from the State of Texas which has been also favorably acted upon by the Comptroller of the State; and her name placed upon the Pension Rolls of this State under the law passed on the 28th of July A.D. 1876. She now avers and declares that She, and also her said husband Pablo Casillas being on the 1st Day of July A.D. 1876, then, and herself at the present time in indigent circumstances, She now claims the back pay as a Pensioner under said law, her husband being Old infirm and Feeble was unfit and unable to provide for the wants of his family and totally unable to be present at the Terms of your Honor's Court from Physical infirmaties to prosecute his claim during his life time.

She does now therefore again come forward and alledges that she herself and her said husband Pablo Casillas were on the 1st Day of July A.D. 1876, truly in indigent circumstances and produces Diego Gonzales and José Ma. Guiener — two credible witnesses and citizens of said County to Coroborate and sustain her statement to enable her to obtain the full benifits under said law of July 1876.
