The State of Texas, } In County Court of Bexar County, Texas,
County of Bexar. } May Term, A. D. 1877.

The Hon. Thomas A. Dwyer, County Judge:

The applicant, Antonio Guerra, a resident of Bexar County, and State of Texas, aged about 75 years, most respectfully represents unto your Honor that he is the identical Antonio Guerra who, in the month of September, in A. D. 1835, joined the Company of Volunteers commanded by Captain Philip Dimmit and remained therein, in active service, until after the Capitulation of Cos in December of the same year, applicant participating in the reduction of "Bexar," together with the balance of Captain Dimmit's company; that applicant never obtained any land as bounty or donation for his services, for the reason that he did not know that any lands were being given until it was too late to apply for the same, and did not apply for a pension under the former law for the reason that applicant was not aware a pension was offered until the law was repealed. That he hereby revokes and annuls all previous powers of attorney heretofore given touching pensions and substitutes James G. Fisk his lawful attorney in fact as well as at law to represent him in all matters hereto relating. Applicant would further state that he is in indigent circumstances and makes this application for the purpose of obtaining the annual pension to which he believes himself entitled under the law granting pensions, approved July 28, 1876.

Wherefore he prays that the notice required by law be given and that upon due hearing of the cause the necessary certificate be extended to him, and as in duty bound, &c.

his
Antonio X Guerra,
mark.

Subscribed and sworn to before me this 29th day of March, A. D. 1877.
