San Antonio Nov. 20th 1878

J. D. McCall Esqr. Austin Texas

Sir

I herewith enclose you the necessary papers of Claudio Guerrero in his claim for an annual pension. He is entitled to two years and three months pay amounting to $375 00/100. He received his pension under the law of 1874 and is a native of the Mission of San Jose and bears a good character as a citizen. I believe his claim is a meritorious one. Please get the Comptroller to pass upon it at an early day as possible

Very Respectfully Yours

James L Trueheart
