that the Company was
not raised until 1839 or 40
I know that you were one
of the first members and
served until you were
taken prisoner and if I
recollect right it was in
1842. when Wall came into
San Antonio Now if my recol-
-lection is right, that you
were taken in San Antonio
by Genl Wall, Write me
to that effect and I will
try and will try and get
some where near the date when
my first Company was raised
and I will then have the
proper Affidavit made
out and sent to you
My dear old Pat our old boys
have most all passed away
you are one amongst the few
now left and I would
like so much to see
you I have frequently
heard of you since you
have been in this State
but have never had the
pleasure of meeting you
If I ever get in your neigh-
-borhood I shall certainly go
to see you - Cant you come
down and see me for old time
sake My Wife is a Texas woman
and is always glad to see
any of my old Texas friends
