Stockdale July 27. 1874

Hon J. A. Larsen.
Comptroller.

Dear Sir.

I have just received a letter from Owen B. Hardeman Esq who resides near Prairie Lea in Caldwell County. requesting me to inform you by letter that he as a member of "Scat" Smith's Spy Company is entitled to a pension in accordance with the recent acts of the Legislature on that subject. He was attached to said Company. but as to the exact date I am at this late day unable to say — tho I think it was in 1839 — Notwithstanding that the above notice is meager I have no more to do.

Respectfully yr &c
Charles Mason
