Mr. Stephen [illegible]

[illegible]

I send you a report of the Committee of the Senate, and [illegible] [illegible]. I will get the Clerk of the Commissioners' Land Office to send you a copy of [illegible] Bounty Land. It seems by the report that you have discretion without any Legislation. When the report is in your Office, you will find that I was registered as a Veteran. I did not apply personally, because I did not have [illegible] witnesses.

If you cannot issue it, please recommend the Legislature to pass [illegible] [illegible] the relief of Veteran. Yours Truly [illegible]
