Octr. 15th 1870

Hon. A. Bledsoe Comptroller.

Sir - I enclose herewith my application for pension under the late law, and submit that the same was made out before I saw your prescribed form. I think you will find that it embraces all of the material facts. If found to be all right, I will thank you to send me the proper certificate, by mail, otherwise send the papers back.

Respectfully
Your obt. Servt.
