Sworn in said County of Monroe) is the identical Hentwarth D Hillyer who served in the war of the Revolution between Texas & Mexico in the year 1836. That the grounds of affiants belief are these. First – That said Hillyer years ago & during the first year of his acquaintance with affiant related to affiant his experiences in that revolution & made statements concerning the same which then satisfied affiant that said Hillyer did act as a volunteer in that war during the year 1836. Secondly. Because said Hillyer is a truthful man & his statements have always been reliable & he has always borne a good reputation for truth in the community where he has resided with affiant
