acknowledged before E. A. King Notary Public, and that the said Robert H. Hunter now here present, acknowledges that his signature thereto is genuine, that he signed the same for the purposes and considerations therein stated. He further states that he has known the said Robert H. Hunter since 1846, and he is satisfied that he is the identical man he represents himself to be; that he is now in possession of the Bounty Land Warrant No 53 a copy of which appears in his application for bounty, and that the said Robert H. Hunter being now personally present in company with Adam Stafford, entirely knows him to be the identical man to whom the said Adam Stafford refers in his oath of identity above made. In witness whereof I hereunto set my hand and official seal this 28th day of June 1874 A D Nicholas
