the Revolution at Gonzales in 1835 and the fifth day of January 1837 - that she does not remember the name of the Company in which he enlisted and served but refers to the Records of the Land Office at Austin To show that she received land for his services. Petitioner further shows that she is now unmarried and has remained unmarried since the death of her said husband Benjamin Johnson - that she is now over fifty six years old, is in indigent circumstances and unable to support herself. - and has so been since the passage of said act. Therefore she prays that the requisite legal notice of this her application be given - that Your Honor will hear proof in support of this her application, and on hearing will grant her such certificate and make such orders in the premises as under the law and evidence
