of said Benjamin Johnson and remains still unmarried that so far as I am informed she is in indigent circumstances - that I knew the said Benjamin Johnson during the time of the Texan Revolution - that he served as a soldier in the war between Texas and Mexico in the army of the Republic of Texas in the year 1836 that he was a member of Captain James Smith Company in the Spring Campaign of 1836 to which Company I was also a member and that he served until he was honorably discharged and I verily believe he participated in the Battle of San Jacinto, from credible report in the company commanded by Captain James Gillaspie
