L. A. Abercrombie.

Huntsville, Texas, July 1st 1878

Nat. Stussy Esq.,
Austin.

Dear Sir:

I herein enclose a Power of Atty. from Mrs. Johnson to myself, and also the Certificate from our County Judge and Clerk that Mrs. Johnson is alive on this the 1st day of July 1878.

Please take such steps as are necessary in the case to obtain pension warrants, or vouchers, or whatever is issued. Mrs. Johnson particularly desires that if you can, you will not draw one certificate for the entire amount but divide it in three equal parts and get a certificate for each part. When obtained, please return the Certificates to me.

Respectfully yours

L. A. Abercrombie.
