State of Texas }
County of Travis }

This day personally appeared Geo. M. Kirby of Travis County Texas who being duly sworn says he was a member of Capts Ratcliffs and Mathews Company. that he is a pensioner, He well remembers Saml Johnson and knows that Saml Johnson was also a member of said Company in 1836, knows that he shot himself in his hand and thinks he was discharged on account of said wound it being warm weather that he has not seen the said Johnson since but from the information before me, viz his application via my description of him this agent May know, which seems so correct that I am sure that the Saml Johnson of Hamilton County now applying for Pension is the identical Johnson whom I knew in the Army in 1836.
