Austin Texas

Your Petitioner James G. Miller, citizen of Bell County State aforesaid, would respectfully represent that he was one of the Veterans of the Revolution who served Texas from Mexico, that he was enrolled in Capt Everett's Company at Labadie about the 1st September 1835, that he remained there as a soldier for one month or more when he was at home required home to leave and that he obtained a furlough for that purpose.

Wherefore Petitioner claims that he is entitled to the benefits of the late act of the Legislature of Texas granting pensions to the surviving Veterans of the Revolution who served Texas from Mexico, and asks that a certificate be issued to him as contemplated by law.
