THE STATE OF TEXAS.

OFFICE OF
Comptroller of Public Accounts,

AUSTIN. Jany 8th 1872

Frank H. Keller Esq
Morales, Texas

Dr Sir:

In reply to your communication of the 1st inst, I have the honor to inform you that your claim for pension has been examined and approved, but the Legislature having failed to make the necessary appropriation, certificates cannot issue, neither can any payments be made until the appropriation is made by some future Legislature. When this is done you will be entitled to pay from the passage of the original act, (13th Aug 1870, unless the law is amended,) and certificate will be issued and forwarded to you at once.

Very Respectfully &c
A Bledsoe
Comptroller
