Hon. A. Bledsoe
Comptroller
Austin Texas
Dear Sir

I sent by my old friend Wm. P. Zuber the application of my brother Michael Kinnard for Pension as a surviving veteran of the ~~Texas~~ Revolution which separated Texas from Mexico which he informed me he had filed but failed to get the certificate because of failure to find any record evidence to corroborate the affidavits I therefore refer your Honor to page 937 of Abstract of titled and patented lands published by State authority in 1860 near the bottom of said page to the name "Kinard, Michael" opposite the No. 277 to the left and 320 acres bounty land to the right this is my brother the Applicant
