Austin, Tex:

Sir

Oblige me by sending me a certified copy of the Pension certificate of Jose Angel Leal, together with all its endorsements. The fee for making this transcript shall be promptly forwarded to you upon demand.

The reason I have in making this request, is to elicit further evidence in an examination pending in my Court, which is to be held on Saturday the 27th inst.

You will excuse, that I am so urgent, but it becomes my duty to say, that for the proceedings before me the transcript is most desirable.

If impossible by that time please send the transcript as soon thereafter as you can.

Very respectfully
