Capt Randale Jones' Company, Greenberry Logan was a private in Capt J. W. Fannin's Company, afterwards commanded by Capt John York, said Logan I know was present at the capture of San Antonio, by the Volunteers under Milam, where Logan was badly wounded. I can bear faithful testimony to his gallantry as a soldier.

I further certify that I am acquainted with Mrs Caroline Logan who lives now in Gonzales County, that she is the widow of Greenberry Logan, and further that she is the identical person herein described.
