Austin in the campaign of 1835 which resulted in the seige and capture of Genl Cocs and his forces at San Antonio in the month of December 1835.

I further certify that Greenberry Logan who died in this County in the year 187 was a private in said company in the year 1835, and served in said company under Capt J. W. Hannin and Capt Jno York until after the capture of Cocs and his forces, that at the said capture Greenberry Logan was severly wounded, and never during his life entirely recovered from the effects of said wound.

I further certify to the bravery and gallantry of the said Logan as a Soldier of the Republic, being an eye witness of one act of his in the discharge of his duty, that for true heroism has been rarely supposed in the history of our country.

I further certify that I have Known Mrs Caroline Logan the widow of the said Greenberry Logan for more than Forty years, that she resides at present in Gonzales, that I believe her to be in dependant and indigent circumstances, and further that I believe she is entitled to a Pension under the
