State of Texas
County of Bexar

Personally appeared before me the undersigned Authority Juan N. Seguin a resident Citizen of the above State and County who being duly sworn deposes and says that he is well acquainted with Matias Maldonado and knows that he served in the army of the Republic of Texas as a private soldier at the Battle of Concepcion, and also at the Capture of Goliad where he received a serious wound. Affiant avers that he has no interest in the claim of said Maldonado but believes him justly entitled to his pension for services rendered in the war which separated Texas from Mexico, knows him to be the same party whom he knew in 1835 and knows that he has lived in Texas from the date of his services until the present time
