and which was indirectly the cause of his death, the wound never having healed he died on the 27th of last October, and before that, had the necessary papers made out to prove his Identity - Col Harvey Sellers was a Prisoner with him and my Brothers John and George Baylor. can testify to his identity and condition of health - I need not tell you, that he left me without a dollar, or the hope of one, except through the Pension

I should have asked my uncle Judge Robt Baylor to write to you, but the dear old man is too feeble to attend to business

If you are like all
