Gonzales Mch 24. 1874

Hon W. B. Sayers.
House Reps
Austin

Dear Col. Your kind note of the 14th inst was not rec'd by me until the 20th - to which I reply at the earliest practicable moment - Enclosed herewith please find the "power of atty." to obtain my pension certificate and any payment to be appropriated therefor. -

I wrote to Mr Griffin of Coryell Co to forward to you the surv & fld notes of the remainder of the De Witt Leagues of land in that Co. It is hoped you have received it, or will in time to get the orders of survey from the Gen'l Land office - Would it be considered to great a tax on your kindness to endeavour to obtain six equal certificates, being one for each of the heirs - thereby you will excuse the request if too late

I am Respectfully &c
C. Mason
