put ~~q~~ under Cornel Fanning we sailed
round to Copono Boy we sailed up for
way landed at Copono from where we went
to mission. from mission to golead.
we had not been long at golead
before we got a dispatch from Vantintone
that the Alamore was attacked under Co
Travis Davy Crocket and James Buy Commanders
Col Fanin they left golead and crossed Vantone
river to assist the allemores on hering they
was 150 me in his rear he recrossed the river
and went back in the fort the he got
nuse that her was alone woman in omision
he started Cap King and 18 men he could
not get no nuse from there and he they
started major Word with over 100 men they
was attacked by Meyers division of the Mexican
army and could not get back he then got nuse
that they Alamore was taken a short time
after this he got a dispatch from general
Huston by major ~~Word~~ Harris but giving no correct
