Dear Sir:

Enclosed we hand you two applications for Pension under Act of Congress. One for Bryan Morrison & one for Stephen M. Daughtrion which we hope you will allow. as we know them to be old & respectable citizens and believe them entitled to the Pension. If the Papers are not properly prepared please return them & like David Crockett "we'll pick our flint & try it again"

Have the kindness to advise of your action in the matter. oblige

Yours Respectfully
