State of Ohio
County of Hamilton } SS.

Personally appeared before me the subscriber, a Notary Public in and for the State and County aforesaid Dr R F Richardson of said County, being of lawful age, a creditable person, who being by me first duly sworn, says that He is a regular practicing physician in the City of Cincinnati of the afore said County and State and that he has known Elias McMillan (the applicant in the case for bounty) for upwards of 20 years and has always considered him to be of a very delicate organization physically. That his eyes have been more or less disorganized during all that time. And at the present time the state of his eyes is such as to unfit him for manual labor. That he has no interest in making these statements except so far as to do justice to a worthy citizen.

~~he no interest in making this Statement.~~

Sworn to and subscribed before me this 10th day of December 1874, and I certify that R. F. Richardson who signed the above affidavit in my presence, is the person whom he represent himself to be, that he is a regular practicing physician of good standing in this community, and that his testimony is entitled to credit. I have no interest whatever in this matter, and same was read and explained before signing.
