Personally appeared before me the undersigned authority R. M. Davis to me well known who upon oath says he has been acquainted with A. S. Miller of Gonzales County since the year 1842 that it has always been understood and has been the common report in the neighborhood that said Miller was in Dawson Company at the time of the massacre near San Antonio in 1842 that from his knowledge of said Miller he is certain said Miller was in said Company at the time of the massacre and he verily and truly believes that any affidavit said Miller may make for obtaining pension will be true
