Personally appeared before me the undersigned authority Juan N. Seguin who being duly sworn deposes and says: that he was a Captain in the army of the Republic of Texas and served at San Jacinto, that he was also at the storming and capture of San Antonio in 1835 under Stephen F. Austin that he knows Crescencio Montes and knows that he was a soldier and participated in the taking of San Antonio in the year 1835 against General Cos, and further deposes that said Montes was a good and faithful soldier and justly entitled to a pension under the recent act, granting pensions to all those who participated in the war which separated Texas from Mexico. Affiant further declares that the said Montes is the identical Crescencio Montes whom he knew in 1835. Affiant further declares that he has no interest in the claim of said Montes further than to see justice done to a true and faithful soldier.

Juan N. Seguin.
