The State of Texas
County of Titus } Before me,
J. Sherry Clerk
of the District Court in and for
said Titus County, personally
appeared Clement Dixon and
John L Riddle and after being
duly sworn, deposed and say
that they are and have been
for many years personally acqua
=inted with William H Moore,
whose genuine signature appears
to the annexed affidavit and
application, and from their know
=ledge gained by their long and
familiar acquaintance, they verily
believe the said William H Moore
is the identical person he repre=
=sents himself to be in said affidavit
hereto attached and that all the state
=ments therein made as to his service
in the revolution of Texas they believe
to be true, and those made as
to his disability they know to be
true.
