Village of Carmen 10th of October 1877
By the present be it known that I Antonio Pacillas authorize and empower Ricardo Hernandez to receive as my attorney in fact for me and in my name, as he has been a person from whom I have received much benefit and kind acts for some time past, therefore I say that it has been and is my last wish that the said Ricardo Hernandez shall receive from the Government of the United States all monies due and to be delivered to me. I also ~~leave~~ empower him to receive effects & my tools with which I work as also my clothes; and if God remembers me, it is my wish that he shall be the sole owner of what I have. ~~I also~~ say that I am not to leave his house until I entirely recover my health or I am buried by the said Ricardo Hernandez, such being the agreement between him and me.
That I leave no heirs in this country, that besides God
