Before me

a Notary Public in and for the County of Galveston and State of Texas Came J. H. Cleveland to me well known a credible witness who on his oath says that he has known Daniel Parr who now petitions for pension as a soldier in the Army of the Republic of Texas in 1836 under the act of April 21. 1874 - for nearly thirty years past - that he is the identical man who is referred to in his Certificate of discharge, and in his Bounty Land Warrant No 803 - for 320 Acres Land - that said Parr resides in Galveston, is living - and is, as appears to be over 70 years of age.

Signed & Sworn to before me this 29 day May 1874 } J. H. Cleveland
