San Antonio Sept. 21st 1878

J. D. McCall
Comptroller's office Austin Texas

Dear Sir

I herewith enclose you the transcript of the pension claim of Santiago Peralez. You will please observe on the certificate of Judge Dwyer that he was in indegent circumstances at the date of his application and has remained so up to the present time. Please do me the favor to get the Comptroller to examine it and act on the same at an earlier day as possible. I know of my own knowledge that he is in very indegent circumstance and has but few years longer to live. As yet Guadalupe Arsola and Fernando Cubier have failed to pay my small fee of $2 50/100 each for their last quarterly pension certificate; nor do I wish you to issue it to any one unless authorized by me. The records of the Comptroller's office have always recognized me as their duly authorized atty. and Agt. Would be pleased to hear from you

Yours Truly
James L Trueheart
