The State of Texas
County of Travis }

Personally appeared before me Jerome B. Robertson to me well known who being sworn deposeth & saith that he personally knew J. E. Post now of Wichita Kansas. In the military service of the army of the republic of Texas prior to the 15th day of October 1836 that said Post served first in Capt Reeves company & afterwards in this affiants company in Col E. L. Harrisons Regiment & that said Post was honorably discharged. and in the opinion of this affiant the said J. E. Post is entitled to a pension under the law of the 14 legislature & although this affiant has not seen the said post for many years he verily believes that the J. E. Post now of Wichita Kansas who is applying for a pension is the same individual who received the above service
