by him at the said battle of
Sanjacinto on the 21st day of
April 1836 - which in the fight
with Genl Santana's Mexican
army of invasion — Said
wound was caused by a large
ball passing through the arm
near the right shoulder — and
his (my) said Father has nearly fully re-
- covered from said wound
so far as to have full use of
the arm — He does not know of
his own knowledge anything
further as to his Father having been
wounded in the said battle — He
does know that Genl Sam Hous
- ton always recognized him publ
- icly as one of the wounded
soldiers under his command
at the battle of Sanjacinto — and
that the Texas Republic & State
have recognized the fact by
pensioning & issuing certificates.
That he believes him to be justly entitled to a pension for wound & services
under Pension Act enacted on the 13 day of Aug. AD 1870"

Sworn to & subscribed before
