Merced City, California

Having Examined Mr E. G. Rector. & having been informed of his case by a prominent Physician in our County, we have no hesitation in stating that he is still suffering from the effects of the injuries received in the battle of Sacramento 1836. We further believe that his injuries are of such a nature as we affect him the remainder of his life, impairing his general health and unfitting him for any severe manual labor.

W. A. Washington M. D.
Geo. P. Lee M. D.

The State of California }
Merced County }

Sworn to and subscribed before me the undersigned Authority in & for said County this 12th day of September 1874. Witness my hand and official seal this 12th Sept A D 1874

P. D. Higgins
