Montgomery county, where he was nursed for several months by his family and treated by Dr. Quimby, who extracted the ball from the leg bone, leaving the leg ever after weak and more or less subject to pain and irritation. That after a partial recovery he returned to the army and served as a soldier in the company of Capt. Peterson till discharged on the ground of disability in 1837. That when wounded, no one was with him but Capt. Deaf Smith, and he knows of no one of that company or of that army who could testify to the fact, excepting persons who saw him afterwards while in his wounded condition. That he makes this affidavit, in order to secure the pension as a wounded soldier under the laws of August 13th, 1870, and April 21st 1874. And that he is the identical Wm Rice to whom Bounty Warrant No. 2,302, for 1280 acres, was issued
