Everett S Ritter

Application for Pension

I do swear that I was well acquainted with Everet S Ritter up to the time of his death having known him personally for more than Twenty years previous to his death that he was generally known and called Everet Ritter that I am satisfied from information derived from persons who have the means of knowing the facts that he is the identical person who did the service as herein stated and that he is the person whose name appears on the Muster Rolls as Everet Ritter the person who received a land grant for military services
