Harris County }

I George H Roberts do swear that I am now a citizen of Harris County State of Texas – that I am now sixty years of age – that I have been a resident of the Republic and State of Texas since the year 1824 – now about forty six years – That I am one of the surviving veterans of the Revolution of 1836 – that I left my home on 4th March 1836 as a private in Captain Birds Company of volunteers which formed a part of the army of General Sam. Houston – and remained in service until the disbandment of the forces of the Republic of Texas, after the battle of San Jacinto which occurred on 21st day of April 1836 – that I was employed as a scout during the greater portion of my service by the express order of Genl Houston, and was out on duty as a scout on the day of the battle of San Jacinto which prevented my participation in said battle – I make this application for my pension under the act of the Legislature of Texas approved 13th August 1870 granting pensions to the surviving Veterans of the Texas Revolution –

George H Roberts.
