not heretofore been declared fraudulent. Art. 3612 R. S. Proceedings on application, says nothing in regard to the manner of proof, but says if from the evidence the county judge believes the applicant really performed the service then he shall so certify his finding under seal of office to the Comptroller. Please note particularly the language of Amendment (pages 43-4 pamphlet laws) which reads as follows: "which application shall be subscribed and sworn to by the applicant, and the same shall be supported by affidavits of at least two credible witnesses who reside in the state, and shall show that the facts stated by the applicant is known and regarded in his or her neighborhood as a Texas veteran" etc. Evidently this language, so we think, is intended to relax the rigid rule
