Victoria Novr. 20th 1870

A Bledsoe Esqr
Comptroller

Herewith I Enclose you application of Peter Rouche for Pension under the late act of the Legislature. Mr Rupley is the only living witness that can be found to Identify him with the service. But this together with the letter of Mr White who was one of the Board of Land Comrs in Jackson county which together with the Roll of Miller's command, if on file in the office of the department should be sufficient to authorize the issuing of the certificate
