The State of Texas
Robertson County } July 8th 1874.

This certifies that I, William P. Zuber, was a private soldier in Captain James Gillaspy's Company, Colonel Sidney Sherman's Second Regiment, Texas Army, commanded successively by Generals Sam Houston and Thomas J Rusk, from the first day of March, 1836, to the first day of June, 1836; that John Saddler, now a citizen of Limestone County Texas, was also at the same time, a private soldier in Captain William Weir's Company, in said Regiment and Army; that I personally knew him as such, that I believe that he participated in the Battle of San Jacinto; that he is the identical John Saddler, who performed the above described service; and that I believe him to be justly entitled to a pension, under Act of the Legislature of Texas, approved August 13th, 1870, and the Pension Act of 1874.

William P. Zuber.

Sworn to and Subscribed before me this eighth day of July 1874
