The State of Texas } Personally appeared
Collin County } before me Carrick
H. Nelson County

Judge of the County of Collin in the State of Texas, Nelson F. Owen with whom I am personally acquainted and after he duly sworn by me says.

That he was intimately acquainted with Michael Sessum, who, he is informed, is now dead, from the commencement of the year 1835 to the year, and in the year 1872 when he stayed or boarded at his house about two months. That if living now, he would be between Sixty-five and Seventy years of age. That in the fall of 1835 the said Michael Sessum moved to Cedar creek in Bastrop County or what is now Bastrop County Texas - and as well as he now recollects, in the year 1836 the said Michael Sessum volunteered or joined a Spy Company, commanded by Thomas G. McGehee - and acted as a Spy between Bastrop and San Antonio - on the old San Antonio Road - in the Army of the Republic of Texas - he served for some time - but he cannot now remember for what length of time - as he was at that time only about fourteen years old, or a little over. And further states that he knows the fact that Elizabeth S. Sessum, was the lawful wife of the said Michael Sessum. And further saith not.

N. F. Owen.
