heard Said Sorsby say that he was in Said army which separated Texas from Mexico, also heard Said Sorsby was a member of Captain Peebles Company in Said army, also that Said Sorsby has said in the presence of Said Applicant that Said Captain Peebles Company was stationed during it term of service at times on the Navaca and Guadalupe rivers and also that Said Applicant heard Said Sorsby say that he received a furlough in June 1837 and was discharged after this date. Said Sorsby also stated in his presence that he, Sorsby was honorably discharged in Texas. And that Said Sorsby is now known in this section of the country as a Texas Veteran and that he has every good reason to believe that Civil William A Sorsby did render the service that entitles him to a pension.
