Montgomery July 6. 1874

Hon Stephen H Darden
Comptroller

Dear Sir

Some days since I forwarded to your official address my claim for a Pension with annexed evidence from Col Francis H Johnson and Fielden Cuttle

I write today over some papers connected with the Pension claims of Neighbors whose writing business I do 'con amore' & found some evidence in proof of my claim taken in 1870 from Thomas H Brown Esq of Rock Dale which I herewith enclose to be filed with my former evidence above mentioned in addition thereto. Mr J and Dr Patrick have I believe filed pension claims for state Contingent for like claims

Very Respectfully

Yours

C H Oberne
